### LEARN, IMPROVE, AND ENJOY THE GAME MORE

Unlike traditional golf tours, you won't just meet your host at welcome dinners — you'll **play rounds together**, sharing the fairways while gaining real-time insights into course strategy, shot selection, and scoring techniques. This on-course guidance helps golfers of all levels make smarter decisions and enjoy the game more.

### PERSONALISED COACHING IN THE PERFECT SETTING

Guests will also spend dedicated time with the hosts on the driving range and practice putting greens, where informal coaching sessions focus on simple, practical improvements. Whether it's sharpening your short game, improving consistency, or learning effective practice routines, the guidance is tailored to each player's goals and ability.

This Signature Tour is hosted by Golftreks' Travel Director Shannon France and former PGA Tour Professional and tournament winner Dale Walsh, who will be with the group throughout the tour, offering insights, on-course guidance and coaching to help elevate your game while you enjoy some of the South Pacific's most scenic courses.

### ELEVATE YOUR GAME — SKILLS YOU'LL TAKE HOME LONG AFTER THE TOUR

The Fiji Signature Golf Tour is designed not only to deliver an unforgettable golfing holiday, but also to help you return home playing better, feeling more confident, and enjoying the game more than ever before. Through time spent on the course, the driving range, and practice greens alongside your host, guests will gain practical skills that create lasting improvement.

By learning simple, repeatable fundamentals and gaining clarity around shot selection, guests begin to trust their swing and decision-making. On-course guidance helps remove doubt and overthinking leading to more consistent and enjoyable rounds.
